

EAGLE
 AIR PURIFIER

3 YEARS WARRANTY

- Applicable for 24-42m³
- Multi-functional composite filter
- 5 fan speeds
- 3 kinds of purification mode
- Air quality inspection
- Long distance control
- Sleep mode
- Intelligent child lock

Primary filter

Filtrate hair, dust and Other big particular matters

Modified activated carbon filter

Adopt synthetic material composed by modified activated carbon and formaldehyde carbon removal materials for removing the formaldehyde efficiently.

Composite filter paper

Small wind resistance, high efficiency and long service life.

Spray coating protection layer

Improve the strength of the filter structure.

Gree air purifier uses "Eagle Wing" bionic technology to reduce the resistance of the grille to the airflow.

Model	Air Purifier		GCF350ASNA
Suitable area		m ²	25~42
Power Input		W	25
Rated Voltage /Frequency		V /Hz	220-240 / 50
Standby Power Consumption		W	<2
Particular matters CADR		m ³ /h	350
Particular matters CCM			P4
Formaldehyde CADR		m ³ /h	200.0
Formaldehyde CCM			F4
Energy Efficiency		W	13
Sound Power Level		dB (A)	27/37/49/53/58
Outline Dimension	WxHxD	mm	292x292x663
Package Dimension	WxHxD	mm	371x365x792
Purifying elements			Remove dust, formaldehyde, menthylbenzene, bacterial, allergen, TVOC
Sensor			Smart inspection technology

Price - €245 **€195**
