COOLTEK services

GREE

GREE Air Circulator Fan

Powerful cooling, quiet comfort, **smart flexibility.**

Dual-Purpose Design

2-in-1 stand and table fan with LED indicators, touch control panel and remote control.

6 Speed Settings

Choose the perfect airflow for any situation.

Flexible Oscillation

Auto 150° vertical adjustment and 3 horizontal oscillation options (60°, 90°, 120°).

Powerful Yet Quiet Airflow

Turbine blade with 13m air supply and low noise at 21dB(A). 3 modes (normal, sleep, turbo).

Touch & Remote Control

LED indicators and easy-to-use touch controls. Remote control included.

DC Motor Energy Saving

Energy-saving, quiet DC motor. Efficient performance with low power consumption.

7-Hour Timer

Set your comfort with up to 7 hours timer.

Easy to Use & Easy to Clean

Simple assembly and disassembly. Large handle for easy portability.

Technical Specifications

SPECIFICATION	UNIT	VALUE
Product model	-	FXDZWK-20X62Bcg3
Rated voltage	V	100 – 240V
Rated frequency	Hz	50/60
Rated input power	W	31
Outline dimension (L/W/H)	mm	327 / 300 / 810
Horizontal oscillation angle	°	60° / 90° / 120°
Adjustable height	mm	435 / 810
Speed	-	6
Noise (sound power under high notch)	dB(A)	63
Noise (sound power under low notch)	dB(A)	32
Noise (sound pressure level under high notch)	dB(A)	52
Noise (sound pressure level under low notch)	dB(A)	21
Max. fan speed (high notch)	m/s	7
Max. air supply distance	m	12
Air volume at highest speed	m^3/min	18
Working voltage	V	DC24
Power supply – Rated input	-	100–240V~ 50/60Hz 1.0A
Power supply – Rated output	-	24V 1.5A 36.0W
Remote control distance	m	4
Preset	h	7
Auto screen off time	s	40
Auto standby time	h	15
Net weight	kg	3.92
Gross weight	kg	4.62
