HEAT PUMP DRYER

9 KG

HYDR-0936C

Key Features

- 9kg capacity – ideal for medium to large households
- Heat pump technology for energy efficient drying
- Multiple drying programmes for different fabrics
- LED display with rotary selector
- Delay start function
- Anti-crease function
- Quiet and efficient operation
- Child lock

Technical Specifications

- Capacity: 9kg
- Voltage: 220–240V
- Frequency: 50Hz
- Input power: 700W
- Refrigerator type: R290
- Dimensions (W*D*H): 598 × 625 × 845 mm
- Gross weight: 50kg

Warranty

5 years on all working parts and 2 years labour.

Performance & Efficiency

- Input power: 700W
- Voltage: 220–240V
- Frequency: 50Hz
- Refrigerator type: R290 (environmentally friendly)
- Energy efficient heat pump technology
- Suitable for daily laundry needs

Design & Build

- Colour: White
- Modern and elegant design
- LED display with rotary selector
- Large door for easy loading and unloading

Delivered and installed free of Charge across Malta.
